### Spirit Week

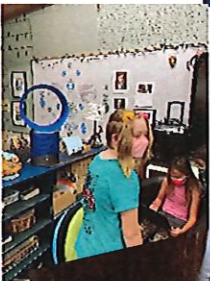

Thank you for all the great participation for spirit week. It was fun for kids and staff alike. On tie dye day all of the students tie dyed a personal cloth

mask. They turned out beautifully! Reese, Ms Hill, Mrs Swayne, Michela and Kayden were first class complete bubble gum blowers on National Bubble Gum Day. We have a number of potential champs training in the wings. The

creativity of Crazy Hair Day was delightful. Backwards Day was interesting although in the words of

Reese, "I'm a lady and there are some things that just don't belong backwards on a lady!"

Katelynn managed backward pony tails and shirt and some of our lower elementary boys had faces on the back of their necks.

### MINIMUM DAY ON MONDAY

Monday, October 4<sup>th</sup> is a minimum day. Dismissal is at 1:35, an hour earlier than our regular time. Project SHARE will be in session an hour earlier as well.

### OCTOBER AND NOVEMBER BOARD MEETINGS

Just a reminder that our Board Meeting will be held as a Special Meeting on October 5 this month rather than the regularly scheduled day of October 11. Recent conflicts in scheduling for several members requires temporary rescheduling of meeting days. We will be changing the day of our regularly scheduled meeting at the December organization meeting. There's still an opening on the Board!
