

French Gulch-Whiskeytown School

Upcoming Events

Week of February 21-25
Presidents Holidays Week
NO SCHOOL

Parents and Guardians: School will not be in session next week February 21-25. This is a combination of the two presidents holidays this month combined with a few days of our early August start.

JUMP ROPE FOR HEART

Thank you to Dorothy Clark, Hilary Harris, Joe Wheeler and Gage Wheeler for their cheer leading support and counting prowess during our Jump Rope for Heart event. It was the windiest day ever but records were broken right and left. Thank you also to everyone for your generous pledges. Outstanding pledges may be turned in the week we return to school Feb 28-March 4. Jumping records to come at a later date. We have new categories to create. Some of our littles jumped without ropes! Heart Healthy movement was the name of the game.

SATURDAY SCHOOL

In an effort for FGWS to reach Funding Band 2 for the next fiscal year 2022-23, we are planning to have 3 Saturday school sessions to make up attendance. This will improve your child's personal attendance record and boost the school's overall attendance. We remain .25 of a percent away in achieving Funding Band 2. So close yet a \$100,000 difference away! Saturday School runs regular school hours 8:10-2:35. Lunch will be served. During Saturday School we make an effort to include STEM and other hands on projects that are sometimes hard to fit in during throughout the week. Scheduled sessions are March 5, March 12 and March 19. We can do this! As with regular school days, if your child has a prior appointment, attend as much of the day before or after the appointment as possible (soft ball season is upon us!).

GROUNDS BEAUTIFICATION

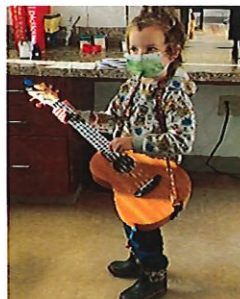

Ms Hill's class, with the assistance of Mr Wilkerson (aka Mr Dude), are paving a section of the lawn area in front of the school to place a picnic table. We hope the table will provide a nice shady spot for parents waiting to pick up kids or community members a Wi-Fi signal.

Creative FGWS Miners

Lilly used some of her scrap paper from her amazing valentine envelope to create a valentine headband.

Ryker serenaded Kristin in the office when checking in for lunch count. Now that's a happy way to start your day!

LUNCH MENU

Menu for Monday February 28

(Off the week of 2/21-2/25)
