

French Gulch-Whiskeytown School

FGWS FAMILIES AND FG COMMUNITY: STILL LOOKING! School Site council members needed. We meet once a month the hour before the board meeting. Please contact the office or your child's teacher if this opportunity interests you.

HOME FIRE SAFETY

Kristin has printed off some forms from the internet on Home Fire Safety. It is recommended that each family have two escape routes from their home in the event of a fire at home. Don't forget to have a meeting place where the family can assemble so that no one reenters a burning building to look for someone who is already out.

FIRE DRILL

We had a fire drill this week. The lower elementary kids were amazing! The drill even caught the teachers off guard but the students knew what to do. The older students were a bit on the chatty side but very orderly in evacuating the building and going to their assigned place on the blacktop. We practice to be prepared. Hopefully it will always be a practice drill and not the real event.

COMMUNITY CEMETARY CLEANUP REMINDER

Don't forget! The community cleanup of the I.O.O.F. cemetery is this coming, October 15. Clean up starts at 7:00 am. Please bring your own clean up tools such as rakes. FGWS students will be placing flags on veterans' graves sites in honor of Veteran's Day in November.

BREAKFAST AT FGWS

It's been wonderful for the students to have breakfast served at school. Please remember though that breakfast stops being served at 8:00 am. This allows for cafeteria cleanup with classes to start on time at 8:10. Kristin has fudged a few times for late arrivers but we so appreciate having our breakfast diners here when the FGWS Café is open!

DON'T FORGET THE BOARD MEETING ON TUESDAY AT 5:00 PM.
