

## French Gulch-Whiskeytown School

The FGWS Staff wishes our school families and community a wonderful Spring Break. Whether you are celebrating the resurrection of a king or taking joy in the rebirth of nature that comes with the arrival of spring, enjoy family, friends, the lovely weather and our little community. Happy Easter! Happy Spring!

### NEW KITCHEN RANGES!

Our little kitchen improvement project continues. Krisitn received two new Fisher & Paykel ranges yesterday. These ranges have preset temperature options as well as both conventional and convection baking settings among other updated features. Two new exhaust hoods have been received also. We are waiting for test results to come back on whether the paint in the kitchen has lead in it before the hoods can be installed.

PS Of course the health inspectors arrived just a few minutes after the arrival of the ranges to inspect the kitchen! All part of the installation experience! Lots of oohs and ahhs all around! Even the delivery man was impressed.

### EGG HUNT

Thank you to Dorothy Clark, Heather VanHorn, Lesley Pearson, Dr Casey and Bianca Bennett for sending in treats for today's egg hunt. The egg hunt is such a fun tradition. Your support is appreciated as always.

➡ Remember we have Covid home tests if you need them, particularly after the holiday. There is a nasty bug making the rounds. It starts as if it is hay fever but in some seems to progress into more: headache, fever, fatigue. Yikes! Several who have had it here at FGWS have tested for Covid but have had negative results. Take care! Stay safe.

### 4H

Katelynn walking her pig Russell down Main Street in FG. She is raising Russell as her 4-H project this year. Both of them are thriving. Good job, Katelynn!

**CHECK OUT THE ATTACHED NOTICE ON A PHOTO OP EVENT WITH THE EASTER BUNNY ON EASTER SUNDAY!**

**Don't forget: CLASSES RESUME MONDAY, APRIL 18**
