

## French Gulch-Whiskeytown School

FGWS Families: A new school year is off and running! Although classes are small this year, teachers and staff are strategizing some of the positives that may come with that. The upper elementary students are already planning potential field trips and ways they might earn money to finance some of those adventures. Staff is already eyeing Bob's old classroom as a possible Makers Space where kids can exercise their creativity, put their problem solving prowess to work and learn new "hands on" skills such as sewing. There are many possibilities. More to come on this later.

### NEWSLETTER DELIVERY

We try to get our newsletter out on Fridays. Let us know if you'd prefer to receive your newsletter in an email, hard copy or both. It is posted on the school website as well.

### PARENTS AND STUDENTS RIGHTS

The annual notification of parents and students rights pamphlet is being sent home today. Please review the information and return the acknowledgment page on Monday.

### VOLUNTEERS NEEDED

We have openings on our LCAP Advisory Board for parents and community members. The Board meets monthly an hour before the school board meetings every third Tuesday of the month. Members work on revising and updating both the school safety plan and the LCAP. If you've ever considered community service, this is a great opportunity to jump in and get your feet wet.

Please return before next Friday

The \_\_\_\_\_ family would like to receive the weekly newsletter as:

- an email at \_\_\_\_\_
- hardcopy \_\_\_\_\_
- both an email delivery and a hardcopy
