

## French Gulch-Whiskeytown School

Parents and Guardians, Maggie Zlowtoski, our school nurse, will be here on **Monday, December 20** in the afternoon. She will be conducting **hearing and vision screening**. School nurses are spread few and far between. Rescheduling is definitely challenging. We have had an unusual number of school absences the last attendance period. Please make every effort to have your child here on that day. Mrs. Zlowtoski will send notification to you if her screening uncovers something that should be further evaluated by qualified professionals. If you have any health related questions I am sure she will be happy to address them.

### PICTURE DAY TAKE 2

Mark your calendars (maybe in pencil!) for December 16. Lifetouch will be taking school pictures on that day. We expect to see paperwork from them next week. It will explain prices for packages, options to customize backgrounds and more available on their online website. Pictures are generally taken first thing in the morning.

### WINTER BREAK

Don't put that calendar away quite yet. Please note: our **Winter Break begins on Thursday, December 23 and runs through January 10**. Students return to class on Tuesday, January 11. We will use **December 22 as our minimum day** this month rather than the first Monday.

We have had quite the leaf raking cleanup crew this week. Thank you, Nathan, and all who have helped.

Ryker is the youngest FGWS student but can that kid climb! He's fearless!
