

# French Gulch-Whiskeytown School

**FGWS Parents and Guardians:** What a year! Sometimes it seems as if it's been 5 years long and other times it's a "how can it be over so quickly?" feeling. The entire staff of FGWS wishes to thank our parents, guardians and community members for negotiating this challenging time with support for the school. The tremendous political upheaval in some school districts throughout the state over the continuing mandates and protocols with Covid-19 were not the case at FGWS. That's not to say there were no concerns or questions, however, your civility and grace helped us to provide a stable a learning environment for our students in a time of great turbulence. It made a tremendous difference. Our gratitude is deeply felt.

### 8<sup>th</sup> GRADE GRADUATION AND KINDERGARTEN MOVING UP CEREMONY

Please join us at 6 pm in the gym on Tuesday, June 7, in offering congratulations to our four 8<sup>th</sup> grade graduates and our 2 FGWS kinder kids "moving up." We will have a program to honor their achievements followed by refreshments afterwards.

### SUMMER SCHOOL

Summer School will begin on Monday June13 and run 4 weeks until July 8. Hours will be from 8:30-12:30. Lunch will be served. Project SHARE will be available from 12:30-5:30 daily. In order to help us plan, please indicate if your child will be attending either program (form attached). We have some fun STEM projects planned in both programs.

While summer school is in operation, the school library will be available for summer reading check out. In the meantime, if you have any outstanding library books or text books at home now, please return them by the last day of school.

### **MRS SWAYNE IS RETIRING!**

While we are happy for Mrs. Swayne's new chapter in life, it is so hard to say good bye. Fortunately, we have her as our summer school teacher and fingers crossed she may come back after winter break to teach art in our VAPA program.

**Two board meetings in June! June 17 at 5:00 pm and June 20 at 5:00pm. Agenda topics include the 2022-23 LCAP and Budget**

The school has Covid home test available if you'd like to have some on hand over the summer. Let us know!
