

## French Gulch-Whiskeytown School

**FGWS Parents and Guardians: No sooner did we call for a shortened day on Wednesday when the snow stopped, the rain came followed by the sun. It snowed off and on much of the morning but then it shifted to steady and heavy snow which actually was beginning to affect visibility. When we couldn't see the grass anymore and the slush started to fill the parking lot and blacktop, we thought perhaps we'd better be safe than sorry. It's so hard to call this. Sorry for any inconvenience. Kids didn't even get to play in snow when they got home!**

### MS HILL'S CLASS TROUT RELEASE

The trout release scheduled for Tuesday was rescheduled for Thursday due to weather. There were 20 classes represented with about 250 students. Ten stations were set up with everything from models illustrating water tables and environmental effects when human activities change the landscape (think paving over marshlands) to proper fly casting form. Two classrooms lost all of the fish they were raising so our students shared theirs allowing everyone a chance to send a trout on its way. Thank you for that kind act, FGWS Miners.

### LCAP

LCAP is our Local Control Accountability Plan. Although we never had parent volunteers for a school site council, we still welcome input on how we allocate our available funds. Several parents did turn in surveys several months ago. We are still open and receptive to ideas that will strengthen the instructional program at FGWS. Feel free to contact your child's teacher or submit written ideas to the office.

**EASTER EGG HUNT** The lower elementary Easter Egg hunt is Friday, April 7 at 1:00 pm. Little bros and sisters are welcome to come join the fun. Any contributions to help fill the eggs are happily accepted and appreciated.

**SPRING BREAK** This is a reminder that **spring break is the week of April 10-14** this year. Many schools that had snow days this month are using Friday April 7 as a snow make up day. We will be back in session on Monday, April 17.

### APRIL FOOLS DAY

Parents be forewarned! April Fool's Day is tomorrow. We have heard some of the plans to "fool parents" especially from younger kids. You may want to be preemptive!
