

## French Gulch-Whiskeytown School

**FGWS Parents and Guardians:** State testing is well under way. As with anything of this nature, some students are really investing time and focus on it, while a few are getting done as soon as possible. We keep encouraging our students to give it their best efforts. It is a moment in time but not the sum of everything learned over the course of the year. Please make sure that your children are well rested the next two weeks and eat a solid breakfast. This helps with focus during testing season. (Fingers crossed that our internet stays on for this! It was out Monday and Tuesday and misbehaving a bit yesterday!!)

### SCIENCE IN THE LOWER GRADES

Our TK-4 students have had a wonderful opportunity all year to be working with Dr Fernau as they explore both the botanical and entomological effects of the CARR Fire. That is, they are looking for the plants and insects that have not only returned but thrived in the fire's aftermath. This is hands on learning at its best- lucky kids to have this early exposure to real world science.

### BUDGET AND LCAP 2022-23

Don't forget that the board will discuss FGWS' proposed budget for 2022-23 at the June 17 board meeting. The public is encouraged to examine and make comments on the budget. Final approval with any adjustment made will occur at the June 20 board meeting. Both meeting will be held at school at 5:00 pm. As always, the public is invited to attend.

### LAST DAY OF SCHOOL

The last day of school will be a minimum day. The Parents Club is looking into renting a bouncy water slide. Bathing suits advised! If this cannot be arranged for any reason, we plan on having water play keeping water conservation in mind.

**BE SURE TO VOTE ON JUNE 7!**

**8<sup>th</sup> grade graduation and Kindergarten Moving Up ceremony on June 7 at 6:00 pm Last Day of School is June 8**

### **Upcoming Events**

**May 30**
