French Gulch-Whiskeytown School

FGWS Parents and Guardians: Mrs Swayne and Ms Hill have already begun scheduling parent conferences for the week of November 8. We know that things come up and sometimes an unforeseen conflict will arise. If you are running late or need to cancel, please let the teachers know. A text message or phone call is appreciated. Teachers will go over your student's academic progress over the last trimester as well as share state testing results from last spring for current grades 4-8. Both teachers are especially accommodating in finding a conference time that will meet your schedule. Keeping active and open lines of communication between home and school is a vital piece of student success.
