

French Gulch-Whiskeytown School

FGWS PARENTS and COMMUNITY: The FGWS Staff wishes you all a Thanksgiving filled with the warmth of friends and family. We mindful of, and grateful for your support.

STUDENT BOUTIQUE CRAFT FAIR

FGWS students have been busy putting their artistic skills to work to create some wonderful pieces of art work. Ceramic pieces from Mrs. B's clay program, creations from Maureen's Project SHARE kids and classroom masterpieces will all be featured. Get a jump start on holiday shopping. Proceeds will be used to fund special fieldtrips. You don't want to miss this wonderful opportunity. Mark your calendar for December 7. The Boutique will be open from 6-7 pm. Cocoa, hot cider and cookies will be served.

UPCOMING BOARD MEETINGS

Each December school boards in California hold an annual organizational meeting. First and foremost, the time and day of each month for board meetings for the year ahead will be established. Because it is a busy time of year, the organizational meeting and regular meeting are often held at the same time. That is the case with FGWS for our regular meeting this December. Keep in mind that it will be listed as a "special" meeting, only because we are holding it on the second Tuesday of the month rather than the third due to the busy week before Christmas. As always, the public is invited to attend.

CRITTERS AT SCHOOL

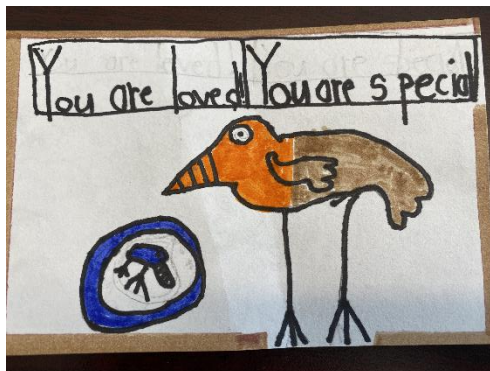

After our red belly newt encounter last week, another walked right into school! It was gently relocated. You'll need to look closely in the picture to see it. Look for a black oblong shape. On our way back from our rescue mission, we were greeted by a frog. He was a fair sized fellow. At recess, a thumbnail sized frog was making his way across the pea gravel near the playground play equipment. He was colored a very bright green. Maddy named him Avocado.

He too was gently relocated to the upper grade garden. It is nice to see

the care concern and curiosity FGWS students have for living things in our environment.

Continuing with our growing sense of stewardship, the lower elementary class made cards to go on the trays of patients at Vibra Hospital for Thanksgiving. They are quite charming. No doubt they will bring smiles.

Upcoming Events
