

## French Gulch-Whiskeytown School

Thank you to our students and staff who placed new flags on the headstones of our French Gulch veterans buried in the local FG cemetery last week to commemorate Veterans Day. Thank you to our own Mr. Wilkerson, (Mr. Dude), who shared his experiences as a draftee during the Vietnam era with the students. It is an honor to remember our veterans both past and present who have served our country.

Mr Wilkerson served in the Navy for 6 years including an 18 month deployment on the USS Oriskany. The decommissioned aircraft carrier was scuttled off the shore of Florida to create an artificial barrier reef in 2006.

Ms.Hill and Mateo check the name on a headstone.

Addie's eagle eye found old flags and replaced them with new ones.

The entire Staff of FGWS wishes all in our school community a warm, happy and safe Thanksgiving week. See you on Monday, November 29!

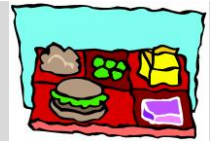

### Upcoming Events

**Thanksgiving Break**  
**November 22-26**

**December 9**
