

## French Gulch-Whiskeytown School

**FGWS PARENTS AND COMMUNITY MEMBERS:** We have a potential community member interested in serving on the FGWS Board of Trustees! We are also hoping to have another community member consider serving on the FGWS LCAP Advisory Board. Both positions only require about an hour a month.

### FIELD TRIPS COMING UP

Tuesday, October 10th, Ms Hill's class will be headed to Shasta Caverns. Northern California is a "young" geologic region compared to other areas of the country. This trip will allow our students to get "up close and personal" with some of nature's most amazing geologic wonders. Visiting the caverns will give them a greater understanding of the geological processes that formed this local treasure. Please make sure permission slips are returned before the trip.

The lower elementary class will be making a trip to Whiskeytown Recreational Park soon. They will meet with a ranger at the overlook to learn why we have state and federal parks as well as expectations for behavior within the park. They will explore some of the park's regions, and go on a short hike while learning about native plants and animals within the park.

### HALLOWEEN CARNIVAL

It's that time of year! Halloween is coming. We will be having our annual school carnival the afternoon of Halloween. Parent help and support is always appreciated. One of the most popular activities is the cakewalk. Donations of baked goods are appreciated for this booth. We are also accepting small little trinkets for the fishing booth. Items from the Dollar Tree are perfect for this activity. Preschool children are welcome to join us for the festivities. More details to come next week.

### EMERGENCY NETWORK DRILL

Good news! Despite a bit of apprehension on the part of some of our younger students, everyone survived the national emergency network drill. No one's ears were blasted out of their heads! Along these lines, students have done very well with our recent fire drills. We have been able to vacate the building quickly and in an orderly fashion. The school year is off to a great start.

### UPCOMING EVENTS
