

French Gulch-Whiskeytown School

FGWS FAMILIES AND FRENCH GULCH COMMUNITY MEMBERS: Fall has

arrived and with it the promise of cooler weather! Let's hope that we get through the last few weeks of fire danger without incident. Burn permits will begin being issued on December 1st.

BOARD MEETING CHANGE

We did not have a quorum last Tuesday in order to hold the Board meeting. It has been rescheduled for this upcoming Tuesday, September 26. As always the public is invited to attend. The meeting begins at 5:00. We continue to seek a new member to join the Board. You need not have children enrolled at FGWS to serve. Please express your interest to Renee in the office, your child's teacher or Cindy Gonzalez at cgonzalez@frenchgulchscool.com

CLAY PROGRAM

Mrs. B is once again working her magic in the clay room with FGWS students. She brings out creativity in kids they didn't know they had! If you happen to drop into school, take

a peek in her room to see magic in the making. Bentley and Jackson are taking a water break using mugs they made in Mrs. B's program.

BARK APP

It is difficult for today's parents to navigate the waters of children's use of social media. If you have not seen the Bark App you may want to check it out. It allows parents some control over their children's use of time spent on line, location of use and whether your child is receiving messages regarding bullying, suicide ideation and/or self-harm. It's a fine line between allowing your child privacy and autonomy while providing guidance in his/her use of this relatively new form of communication. Teens and preteens are still maturing in their judgement processing. Adult guidance helps them to make wiser decisions.

Upcoming Events

September 26
