FGWS BEAUTIFICATION

Thank you to Mrs. B for putting a designer touch to the front of the school. The new planters decorated with student ceramic work are delightful. Be sure to check them out a little closer next time you drop by. Animal figures and other decorative touches truly make these one of a kind flower pots.

BOARD MEETING DATE CORRECTION

For years the board meeting at FGWS has been the second Monday of the month. Then it changed to the second Tuesday of the month. Mid school year in 2021-22 it changed to the 3rd Tuesday of the month! Sorry for the incorrect date in the previous newsletter. It is not September 13 rather it is September 20. As always the public is invited to attend.

NEW INSTRUCTIONAL AIDES

We are so happy to announce that Rachel Dayton is now working in the lower elementary classroom as our new instructional aide. Rachel brings years of experience to the position as the former owner of a home based preschool program in Susanville. Joining Ms Hill's upper elementary program is Jessica Poling. Welcome to the FGWS family, Rachel and Jessica. We are so fortunate to have you here.

BACK TO SCHOOL NIGHT

FGWS will be having a Back to School Night! We are waiting to have our custodian position filled so we can have assistance with clean up. The rest of the staff has been working overtime to fill in the gaps in the meantime.

GENERATORS

With our recent kitchen grant FGWS was able to purchase a generator that will allow us not only to keep our refrigerators and freezers going in a power outage but provide enough wattage to keep the school open with lights and heating/cooling. An electrician will be wiring the exterior of the school with a plug in outlet in the next few weeks.

COMMUNITY MEMBERS: PLEASE BE RESPONSIBLE PET OWNERS AND CLEAN UP YOUR DOG'S POOP WHEN YOU USE THE SCHOOL YARD AS A DOG PARK RATHER THAN HAVE FGWS STAFF DO IT FOR YOU OR WORSE YET, HAVE OUR STUDENTS SCRAPE IT OFF OF THEIR SHOES. WE KNOW YOU KNOW BETTER!!! THANK YOU IN ADVANCE FOR EXERCISING THIS COMMON COURTESY.
