

French Gulch-Whiskeytown School

DISMISSAL PROTOCOL!

Parents, we are so fortunate that FGWS is small enough that teachers and parents can touch base at dismissal time. We do need to set some procedures in place, though, for safety's sake. The office has received more than one concern regarding children darting in and out of the parking lot and running around on the shoulder. This makes it challenging to drive through, back up or park safely. If you are going to talk with your child's teacher, it is important to have your child next to you. Or try Plan B as an option: there is a little patch of grass on either side of the ramped walkway. It's a perfect "plant your pockets" spot while waiting for mom or dad to finish getting an update from the teacher. We are lucky not to have lights flashing, whistles blowing and air traffic controllers running our parking lot at dismissal. Let's all do our part to keep it safe! Thank you so much for your help on this matter.

SPIRIT WEEK- time to have a little fun! Participation is encouraged for all grades.

Next week is Spirit Week! Here are the themes for each day:

Monday PJ Day: roll out of bed and come to school in your pajamas

Tuesday: Crazy Hair Day

Wednesday: Tie Dye Day... wear a tie dye shirt (we will also be tie dying face masks)

Thursday: National Bubble Gum Day (we will supply gum for the FGWS bubble gum blowing contest)

Friday: Backwards Day wear your shirt, hat, sweater backwards or inside out!

OCTOBER AND NOVEMBER BOARD MEETINGS

Due to conflicting schedules of several board members we need to change the days and dates of our October and November meetings from our regularly scheduled second Monday of the month meetings to special meeting dates: October 5 and November 2. The meeting time remains the same. This change is necessary to have a quorum of members present to make the meeting official. We are still seeking a 5th board member. Please let any staff member know if this interests you. **You do not have to have a child enrolled at FGWS to be a board member.**

Upcoming Events

October 4-8

SPIRIT WEEK!

(see activity days in the text)
